

Application of Wisconsin Power and Light Company
And Wisconsin Electric Power Company for a Certificate
Of Authority to Install a Selective Catalytic Reduction
System for Nitrogen Oxide Removal on Unit 5 at the
Edgewater Generating Station, Sheboygan County, Wisconsin

Docket No. 5-CE-137

Q. Please state your name and title.

Q. Please describe your educational and business experience.

A. I graduated from the University of Wisconsin – Madison in 1982 with a degree in Mechanical Engineering. Since that time I have been employed by Wisconsin Electric in various capacities. From 1995 to 2000, I was the Manager of Resource Planning in the Business Planning Department, where I was responsible for generation planning. From 2000 to 2004, I was Manager–Special Projects in the Legal department and was active in the planning and development of the Power The Future project since its inception. Among my responsibilities were the development and evaluation of Wisconsin Electric’s long range supply plans and their economic analysis for which I provided testimony in the Port Washington and Elm Road dockets. Since 2004, I have worked in the Wholesale Energy and Fuels department on the MISO energy market, MISO ancillary services market, financial transmission rights and longer range planning. Since June 1, 2009, I have also managed the Planning staff.

Q. What is the purpose of your direct testimony?

A. The purpose of my direct testimony is to present Wisconsin Electric's application for the project and Wisconsin Electric's economic analysis of the project.

Q. Please explain Wisconsin Electric's participation in this docket.

1 A. Wisconsin Electric is 25% owner of Edgewater 5. Exhibit 2.1, Wisconsin
2 Electric's December 18, 2008 Supplemental Application in this docket (PSC Ref.
3 #:105785) describes Wisconsin Electric's ownership interest and reason for its
4 participation.

5 Q. Please explain Wisconsin Electric's economic analysis of the project.

6 A. Wisconsin Electric's economic analysis is found in Exhibit 2.2, Wisconsin
7 Electric's June 5, 2009 supplemental response to Data Request PSC 2.01 (PSC
8 Ref. #:114860).

9 Q. Are there any facts or circumstances which may have an impact on Wisconsin
10 Electric's ownership interest in Edgewater 5 or the economics of the project?

11 A. Yes. Wisconsin Electric is in the process of pursuing various discussions with
12 regard to our ownership interest in Edgewater 5. The outcome of those
13 discussions may have an impact on our ownership interest and/or the economics
14 of the project. Wisconsin Electric may request the right to file supplemental
15 direct testimony to reflect any such impacts.

16 Q. Does this conclude your direct testimony?

17 A. Yes.
